AERA

**THE ORIGINAL: OFTEN COPIED CERAMIC ERA. EASY-TO-CLEAN STONE SHINE.
MADE OF COARSE CERAMIC NATURAL STONE.**

Formed over the course of centuries under immense pressure: That is the story of how natural stone forms. But now a new era has begun: extruded and not pressed. Nevertheless, this product still displays the characteristic veins, mineral enclosures and natural-looking flame effect. What is different is that it is weatherproof, easy to clean and comes in a wide range of shapes.

This coarse ceramic premium series shows one thing: Ease of cleaning and a stone shine can be a simple matter both indoors and outdoors.
