

TERIOTEC®

CALIBRATED MINI-LARGE FORMAT,
ATTESTED ELEMENTARY
ENJOYMENT.

TERIOTEC®

UNCOMPLICATED TERRACE ENJOYMENT WARRANTED WHEN LAID FIX OR LOOSE.

No compromise: TerioTec® guarantees terrace enjoyment. It is light and slim with its 20 mm thickness or rich with a 35 mm thickness in order to meet the requirements regarding load capacity, statics and the structure on-site. The special Ströher hard glaze seals the pores on the element's body. Algae and moss find no room to breed, stains from fats or red wine can simply be wiped off. Splinter – out of the question. Sealing or re-coating – not necessary. TerioTec® provides a lasting and fadeless freedom-floor. After all, the terrace is there for people, not people for the terrace.
