La Chic è una collezione ad uso rivestimento nata per soddisfare le esigenze di chi desidera arredare la propria abitazione con stile ed eleganza.

Estremamente curata in ogni suo dettaglio, la collezione si completa con 8 tinte di colore, e 9 grafiche diverse che possono essere miscelate tra loro, nel formato 20x20cm.

La Chic è stata studiata per evocare un' atmosfera che ricorda il passato, utilizzando tinte suggestive e moderne.

Aggiunte alla gamma cromatica, due versioni più ricche e preziose, per un ambiente tipicamente elegante e luminoso.

I rilievi di questa superficie ricordano il macramè antico.
