VIENNA NASCE DA UN'APPROFONDITA RICERCA INTORNO
AL FENOMENO ART-DÉCO, NATO E SVILUPPATOSI NEI PRIMI
DECENNI DEL SECOLO SCORSO.

Lo spirito eclettico di tale arte decorativa viene restituito dalla
collezione attraverso un pattern regolare formato da piccoli
ottagoni segnati da modanature metalliche che rimandano ai
materiali all'epoca più utilizzati, quali l'alluminio e l'acciaio inossidabile.

Le campiture opache contrastano con la lucentezza del
decoro generando contrasti di luce che impreziosiscono la superficie.
La regolarità dei segni fa di VIENNA una proposta raffinata ed elegante.

*VIENNA IS THE RESULT OF THOROUGH RESEARCH AROUND THE
ART-DÉCO PHENOMENON, STARTED AND DEVELOPED IN THE
EARLY DECADES OF THE LAST CENTURY.*

*The eclectic spirit of this decorative art is restored by the
collection through a regular pattern formed of small octagons marked
with metal moulding which recall the most commonly used materials of
the time, such as aluminium and stainless steel.*

*The matt backgrounds contrast with the brilliance of the decoration,
creating contrasts of light that embellish the surface.*

*The regularity of the signs makes VIENNA a refined and
elegant proposition.*
